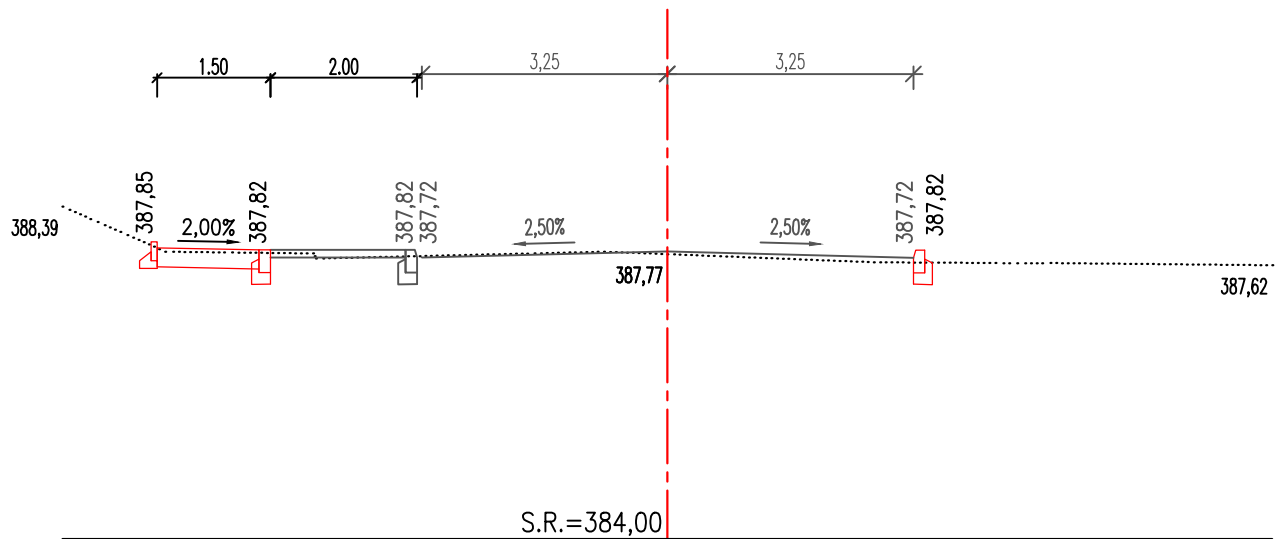

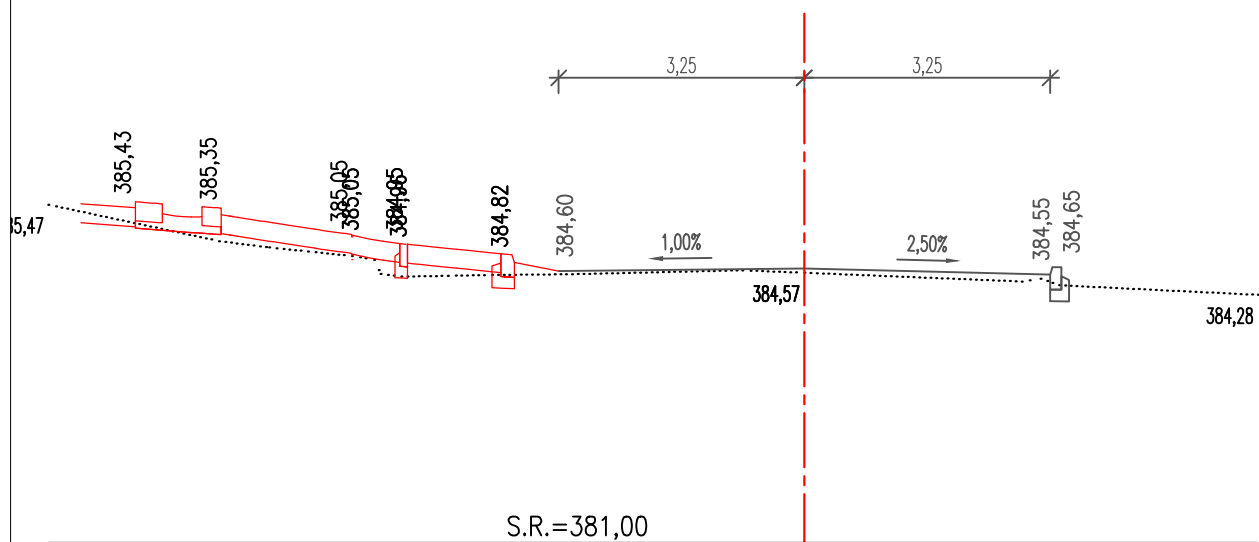

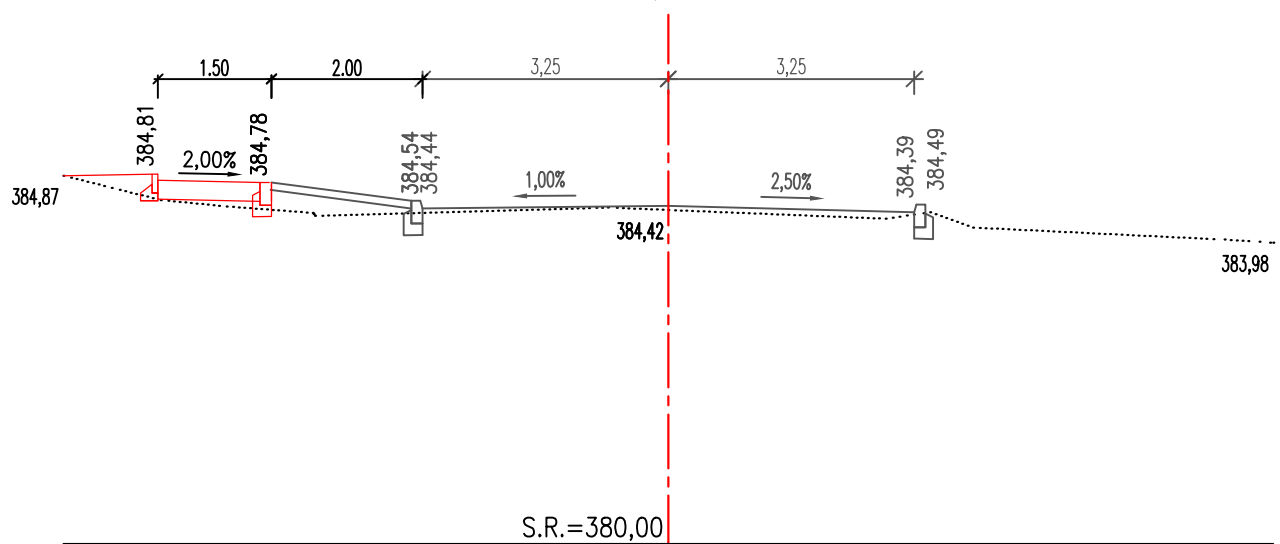

Diagram illustrating a road profile with a vertical curve. The horizontal axis shows distances of 1.50, 2.00, 3.25, and 3.25 units. The vertical axis shows elevations of 386.06, 386.08, 386.06, 385.96, 385.94, 385.91, and 385.76. A red dashed line indicates the vertical curve start at S.R.=382.00. Slopes of 2.00%, 1.00%, and 2.50% are indicated.
